

Hello Tinton Falls Families!

With virtual learning in full-swing it's hard to imagine a time when school will be back in "normal" session. While the idea of ordering school supplies for next school year may not seem high on the priority list right now, there will eventually come a time when our kids head back into school! That is why the Tinton Falls PTA has decided to partner with a new vendor this year for our school supply kit program. School Tool Box is a reputable Ship-to-Home school supply company that has been successfully used by several of our neighboring school districts. Additionally, a percentage of each kit purchased goes to helping those families in our district who need help providing supplies for their child(ren). We are confident that it will provide our Tinton Falls families with a convenient way to tackle the task of shopping for school supplies! Please see the School ToolBox Flyer for instructions on ordering.

****If your family is in need of help purchasing the items on your child(ren)'s school supply list, please send your name, child's name, telephone number, email address, the grade your child will be entering in the fall, and if the child is a boy or girl to TFPTASchoolsupply@gmail.com. The PTA will make every effort to meet the needs of those requesting our help.**
